half-time @ burwood

Half-Time is a Ministry Training Centre of the Sydney Chinese Christian Churches Association

Serving the churches in the West and South, Half-Time is SCCCA's Ministry Training Centre at Burwood committed to meeting up with you and your leadership team once a month on the 3rd Wednesday evenings.

We want to help you, your leadership team and your church by equipping and encouraging you in leadership and ministry. Meeting once a month is an opportunity for you to call in 'half-time', to recharge your batteries for another month of leadership and ministry; and to meet with like-minded friends from other churches in a fun and informal training environment.

Meeting on the 3rd Wednesday evening of every month, each Half-Time meeting from 8pm to 9.45pm will give you an opportunity to:

1. Hear a Bible talk from excellent preachers on leadership and ministry
2. Think and work through a leadership and ministry area
3. Spend time in small groups learning from a regular trainer/pastor committed to you
4. Connect with others involved in similar ministries to you (over coffee!)
